STAR TREK Actor in Austin

Kathy-

Guinan - Whoopi Goldberg, I don't think she has ever been here? But I have the memory of a fruit fly so I could be wrong. I have always loved her. I loved when she would do the comic relief shows with Robin Williams and Billy Crystal. And one of my favorite movies of her's is Jumpin Jack Flash. Her Character Guian is one of my favorites. Guian is one of the few reasons I watched season 2 of TNG. As anyone knows who has read my articles before my Favorite character is Beverly Crusher and season 2 for some crazy reason it stars Katherine Pulaski as the doctor. If it weren't for Guian (Whoopi Goldberg) I might have stopped watch TNG or Star Trek all together.

Board Games that you should give a try by Kathy

[Ticket to Ride](#)

Ticket to ride is a fun game. You collect sets of colored cards turn them in to build rail lines of your color between cities. You score points for connecting cities and completing tickets. The tickets say cities and you will need a complete rail line between. The more tickets you complete the more you score. If you fail to complete a ticket the score for that ticket is negative. You also get bonus points at the end for the longest continual rail line. This is such a fun game i play it online <http://boardgamegeek.com/boardgame/9209/ticket-to-ride> and on the xbox 360.

Come out on Sunday at 2pm, at the Silver Grill Cafe. My gaming group meets there and we play lots of good games, like the ones I talk about in this article.
